Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

The system and method of "scheme for posting advertisements on comprehensive information viewing device" as claimed was not taught or suggested by the prior art. The system for displaying multiple Web pages on a display screen of a comprehensive information viewing device and displaying a first advertisement which relates to Web page attribute information are well known in the art as taught by Haituka et al. [US. 6,928,615]. However, the reference does not show the step of displaying a second advertisement which relates to overlay attribute information of the overlay information in a vicinity of the overlay information wherein displaying the overlay information between the Web page and another one of the Web pages, the overlay information representing a number of users or user attribute information of users who made transitions between the Web page and the other one of the Web pages.
